

# 2011 NCSG CALL FOR SPEAKERS

*NCSG Innovation 2011 • Hartford, CT • February 9-12*

The National Chimney Sweep Guild is now accepting speaker proposals for presentations at the NCSG Innovation 2011 Convention in Hartford, CT, February 9-12, 2011. We invite you to share your knowledge with your peers in the industry by presenting a session at the upcoming convention. Presentations should not be product specific and should not make reference to brand names. The NCSG Convention Planning Committee will review all presentation proposals. Selections will be made based on quality, relevance, practical application, timeliness and on the presenter's experience and credentials.
